

## Walpole Precinct Changes

Every ten years, the legislature and local governments must redraw boundaries that take into consideration population, communities of interest, and state and federal constitutional requirements, amongst other factors. Population is determined by the most recent Federal Census. Walpole's population per the 2020 Federal Census is 26,363 which represents an increase of 2,313 from the 2010 population (or 9%)

### Part One: Local Re-Precincting

#### How will the results of the 2020 Federal Census impact the voters in Walpole?

In Walpole we will continue to have 8 precincts for local elections. (No Change).

Precinct 1	Old Post Rd School	99 Old Post Road
Precinct 2 & 2A*	Old Post Rd School	99 Old Post Road
Precinct 3	Blackburn Hall	30 Stone Street
Precinct 4	Blackburn Hall	30 Stone Street
Precinct 5 & 5A*	Blackburn Hall	30 Stone Street
Precinct 6	Fisher School	65 Gould Street
Precinct 7	Fisher School	65 Gould Street
Precinct 8	Fisher School	65 Gould Street

\*2A and 5A are Sub-Precincts for State Elections and State Primaries only. Voters residing in Sub-Precincts 2A and 5A are considered to be in Precinct 2 and 5 respectively when voting in Local Elections.

The precinct boundary lines have shifted slightly. Here is a link to the:
